

Join Us For a Celebration of Cecil Kimber's Birthday on April 9!

It's a "Natter 'N Noggin" recognition of the late Cecil Kimber who was the manager of, and designer of many car bodies for MG in its early years.

We'll meet in "The Snug" at Doyles Public House, 208 St. Helen's Avenue, Tacoma, WA 98402 from 12:00 noon to 2:00 PM, March 26th, 2025. (www.doylespublichouse.com)

Join us for a pub-grub lunch, a soft or spirited libation, and a brief presentation on the life, accomplishments, and achievements of Cecil Kimber.

While the history of Cecil Kimber will be detailed, the main feature of the event is enjoyable social engagement with fellow MG enthusiasts!

No RSVP for this event is required, but if you would like to confirm to help in a 'head count' that I could forward to Doyle's staff, you may reply by message or email to Rob Blubaugh at britwheelsfan@gmail.com or by phone (219) 863-0331. (Please leave a voice message if I don't answer.)

A reply confirming your intent to attend might also be useful if a weather-related cancellation would be necessary. It is, after all, a Mid-winter event.

As always, "Safety Fast".
